Ehud,

A quick update on attendees from our end.

Stan is unfortunately unable to make it as he's out of town today.

In addition to Zach and myself, it will be Josh Samuelson (whom you've met previously), Kenan Turnacioglu (who you spoke on the phone with last week) and Nikola Lahcanski (an analyst who works with me covering commodities).

Looking forward to seeing you at 4.

Regards,

Justin

Perfect. Let's meet tomorrow at 11am at our office (40 West 57th St, 25th Floor).

It will be Zach and myself. Josh Samuelson and Stan Druckenmiller will be invited as well though I am not certain they are able to attend.

Can you please remind me who will be with you so we can give names to security downstairs?

Regards,

Justin
